FOR IMMEDIATE RELEASE

Thanksgiving Begins Early with Concert for Healthy Families

"Thanksgiving Concert for Healthy Families"; is a fundraising event for Shield-Bearer Counseling Centers. It will be held on Saturday, November 20th, 6-8PM at Main Street Crossing in historic old downtown Tomball. Shield Bearer hopes this will become an annual tradition. Matthew White, Founder of Shield-Bearer and Vice President of Network Operations for Humana, Inc will be coordinating the fun and casual event; while Matt Davis with Main Street Crossing, will be serving up food and drinks as the event host.

White notes, "We are excited to have the band "Out of Denial" donating their talents for an enjoyable family event for couples and individuals who want to support healthy relationships." Monte Tucker, founder of "Out of Denial" band states that "it will be a privilege to bring our musical talents to help such a worthy cause. Shield-Bearer does so much for families and couples throughout Greater Houston area; it seemed like a natural fit for us."

White states that the purpose of the event is "to raise enough funds to continue providing counseling services for individuals, couples and families who would otherwise be turned away. With support from the community we were able to say "yes" to the needs of over 20,000 people last year". Shield-Bearer provides counseling services with offices in Tomball and NW Houston, and community based services in schools like Dating Violence Prevention and Strong Fathers Strong Families.

Dinner and drinks will be available for purchase while "Out of Denial" plays. The band has a unique blending of voices, instruments and style. They will be performing a combination of contemporary Christian, gospel, classic rock, oldies and original songs. Main Street Crossing is open to anyone who wants to attend this event. All donations are tax deductible and sponsorships are available. White also added "Even if you cannot attend, please purchase four tickets and give them to friends that may attend." Tickets are available for the entire family. Ticket costs are \$25 for every two purchased or \$15 for every individual ticket. To purchase tickets or for any questions please contact Crystal at 281-894-7222 or email her at credmon@fightingforhearts.org. Learn more about Shield-Bearer online at www.fightingforhearts.org.
